RE: Official Call to Convention 2024

MFWDC Officers, Executive Board Members and Members:

Women Persisting, Resisting, Standing Strong

The 92nd Annual Missouri Federation of Women's Democratic Clubs State Convention will be held at the Capitol Plaza Hotel & Convention Center in Jefferson City, Mo.

Co-Chairs Dorothy Adams and Nanda Nunnally, and I are looking forward to seeing you in Jefferson City on June 14-16. This is a critical time in our nation's politics so it is imperative that we join together to elect Democratic candidates. We must go forward, not backwards, to secure and improve women's rights. That means coming together at our upcoming convention, so we can share ideas, network, and solidly remain an organization for women to thrive, share concerns, revive old friendships, as well as making new ones. I challenge each of you to bring, at the very least, one new person to the convention. There is strength in numbers. We are a mighty group! Women will flex their muscles in the upcoming year.

All information is included in this mailing. **We are asking for everyone to pay attention to the deadlines again this year. It is very important that we get a head count as soon as possible.** This year also, it is very important to the organization to raise some **BIG** money with our fundraising committee. Please read in the documents carefully for deadline dates and some important new details. All documents are also available at www.mfwdc.org. If you cannot open the documents or have questions please email or call me.

I hope to see many friends and new faces in Jefferson City. We will persist, resist and stand strong!
